Environmental Systems**

Ely Energy Inc. (EEI) enters its fourth decade as a supplier of services and products to niche energy markets worldwide. Our heritage is one of performance and innovation, strengthened by partnerships.

Our partnerships include: **ITM™ation** (Hong Kong) for controls and automation, **Kosan Crisplant** (Denmark) for automated LPG cylinder filling and handling systems, and both **Combusta GmbH** (Austria) and **LaRoche Industries** (USA) for deNO_x technologies and associated ammonia storage and transfer systems.
